Flipscale F2

The Flipscale F2 is undoubtedly one of the best pocket scales ever created.

It comes with a leather case that has 2 magnet clasps and a belt loop.

Display in Grams, Ounces, Troy Ounces and Pennyweight.

Both models have a TARE feature and ADWT (Advanced Digital Weighing Technology).

This ADWT features a super easy calibration and a Thermistor circuit that adjusts for cold temperatures.

Power	2 CR2032 Batteries (included)
Display	Red Backlit
Tare Feature	Yes
Calibration Feature	Yes
Protective Cover	Flip cover
Count Feature	NO
Platform Size	2" X 2"
Scale Size	2" X 3"
