Triton T2 550 Flip-Scale

The F2 is undoubtedly one of the best pocket scales ever created. It comes with a leather case that has 2 magnet clasps and a belt loop.

Display in Grams, Ounces, Troy Ounces and Pennyweight.

Both models have a TARE feature and ADWT (Advanced Digital Weighing Technology).

This ADWT features a super easy calibration and a Thermistor circuit that adjusts for cold temperatures.
