KD-7000

The KD 7000 is both easy to clean and easy to use.

Double-stopper protection, strong reinforced & removable Stainless Steel platform.

Modular construction, scale body made of strong reinforced ABS plastic, extremely durable.

Removable clear LCD cover protects the buttons and LCD from damage.

Secondary removable soft clear faceplate covers.

7 kg (15.4lb) capacity and precise 1 gram (0.1oz) increment makes this scale is an incredible value.
