MHS UTILITY SERIES

The My Weigh MHS Scales are manual hanging scales designed to be extra tough and durable with an extra thick metal handle , strong weighing hook and a built in 1-meter (30 inch) tape measure. Perfect for weighing and measuring boxes, luggage or for use as a fishing scale.

Airports are getting incredibly strict on luggage weight and dimensions.
If you are just 1lb overweight you could be charged \$100.00 !
The MHS Scale is really an invaluable tool for the modern traveler.
